## BUCKET- LIST

### Your Bucket List

See the Matterhorn once in your life. Take a picture of this majestic triangle, which stands out alone on the horizon, and send the picture around the world. This experience is definitely on the bucket list of things one must have experienced once in a lifetime.

But Zermatt offers much more...

- Travel around the destination Zermatt - Matterhorn*
- Experience the light of the sunrise with an impressive dance of colours in the mountains early in the morning - pure emotions*
- Photograph the reflection of the Matterhorn in one of the crystal-clear mountain lakes*
- Take a selfie with one of the typical and sweet black-nose sheep*
- The excursion peaks - discover them while hiking or thanks to modern lifts*
- Discover Zermatt and Valais specialities, such as raclette, cheese fondue or a refreshing Zermatt beer.*
- Ski the 2.263 metre drop in altitude from the Matterhorn Glacier Paradise to Zermatt*
- Stay overnight in a mountain hut and enjoy the hut romance*
- Swim in a refreshing mountain lake with a view of the Matterhorn*
- Drink the clean and refreshingly cool crystal-clear water directly from one of the village fountains*
- Take some homemade chocolate, Valais bread or other souvenirs home as a memory*

*Have fun with your adventure!*

## GORNERGRAT

## UNIQUE MATTERHORN

The Matterhorn (4,478 m) is the primary 'must see' per se and the most photographed mountain in the world. Myth and emblem for alpinists and photographers, it is the trademark and symbol of Switzerland. The mountain fascinates everyone with its regular pyramid form. It stands on its own on the horizon, dominating every peak around it.

### Highlights:

- Mountain panorama with 38 four thousand-metre peaks and glaciers
- Attractive photo points with a view of the Matterhorn in the mountains and in the village
- Helicopter sightseeing flights around the Matterhorn
- Mirror image of the Matterhorn in the lakes
- Magical sunrises and sunsets
- Authentic village with tradition and culture
- Incredible choice of high-quality cuisine in the village and on the mountain

## PLAN YOUR NEXT ROUTE

The following hiking suggestions will whet your appetite. The Zermatt Tourism website and the Matterhorn App provide information on around 150 routes in Zermatt, Täsch and Randa. Illustrated and with information on distance, status, hiking time, altitude, level of difficulty, restaurants, detailed route incl. GPS details and much more.

### 5 Lakes Walk (No. 11)

The 5-Lakes Walk is the hiking trail of superlatives in the Zermatt mountains: the Matterhorn is reflected in three of these mountain lakes.

**Duration: 2 h 30, Distance: 9.8 km, Difficulty: Mountain Hiking Trail**

### Riffelsee Lake Trail (No. 21)

This hiking trail features one of the most beautiful photo points – the Riffelsee Lake with its reflection of the Matterhorn.

**Duration: 1 h, Distance: 3 km, Difficulty: Mountain Hiking Trail**

### Edelweiss Trail (Höhbalmen) (No. 30)

This hike high above the roofs of Zermatt offers a unique view of the Matterhorn and its north face.

**Duration: 7 h 30, Distance: 20.7 km, Difficulty: Mountain Hiking Trail**

### Arigscheis (No. 41)

The hike above Täsch is steep, but views of the Dom, Weisshorn and Täschhorn mountains make it worth the effort.

**Duration: 4 h 10, Distance: 9.4 km, Difficulty: Mountain Hiking Trail**

### Circular Hike Suspension Bridge Randa (No. 69)

The circular hike leads to an impressive record-breaking structure: the longest pedestrian suspension bridge in the Alps.

**Duration: 4 h, Distance: 8.6 km, Difficulty: Mountain Hiking Trail**

- Hiking trail
- Mountain hiking trail
- Alpine hiking trail

Wolli is a young, adventurous Valais blacknose sheep and the mascot for the region. The Wolli symbol represents offers, activities or experiences which are particularly suitable for families. The 'F' logo represents the 'Families Welcome' mark, by which the destination has been awarded. This label is awarded to holiday resorts with packages and services designed around the needs of children and the adults travelling with them.

## **Pushing together**

A true partnership works on trust. In Mountaineering, your life depends on it. Trust in the right partner, the right decisions and the right equipment. For 160 years, Mammut has built the tools to push the boundaries of what's possible in the mountains. On every ascent, Mammut's had your back, and its newest mountaineering collection is purpose-built to help you continue the tradition.
